BUDGET SHORTFALL

As 2018 comes to a close, our current year-to-date donations fall short of our year-to-date budget by over \$64,000. We are asking God to help us meet our budget before December 31, and would ask that our church family be part of this final push to finish off 2018 at or above budget.

CHURCH PLANT UPDATE

Vertical Church Melbourne Australia is coming to an end of their winter season, and approaching summer when things slow down, with lots of vacations and travel. They are thanking God for a great launch of their church in August and for God's gracious provision these first five months. They are seeing slow but steady growth and individual God at work stories. They are already making plans for a "fall" kickoff the first weekend of February, with some exciting changes and additions. Please continue to pray for Adrian and Jen, their core group, and their church.
